- Full technical support through Rheem's National Service Network.

RHEEM 25L ELECTRIC STORAGE WATER HEATER

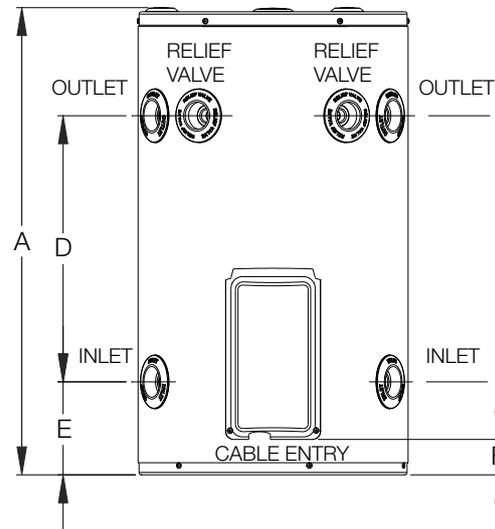

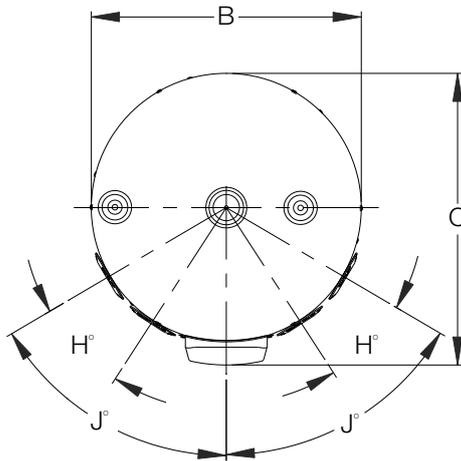

YOUR EXTRA HAND WHEN YOU'RE IN A TIGHT SPOT

Whilst suitable for both indoor and outdoor installation³, the Rheem dual handed 25 Litre electric water heater has been specifically designed for convenient under bench installations.

The dual handed fittings make it more convenient for installation. No matter which way the unit is rotated all the fittings are accessible, making it easier to install into those tight spaces.

With a diameter of just 400mm this dual handed 25 Litre model is the smallest 25 litre delivery storage heater available.
